### SECOND SPRING DIVIONIAN EMPIRE

Official document from the Andrea Capitol  
Building & House of Parliament

14 - 02 - 2199 № 2199-947912

To the Esteemed Leaders of the Republic of Chernarus,

On behalf of the people of Spring-Divionia, I extend my warmest regards and heartfelt congratulations on the occasion of the formal recognition of the Republic of Chernarus by the Spring-Divionian Parliament.

It is with great pleasure that I convey this message of recognition, which follows a thorough and thoughtful deliberation by both the House of Commons and the House of Nobles within our esteemed Parliament. The decision to extend recognition to Chernarus reflects our nation's commitment to upholding principles of sovereignty, self-determination, and mutual respect among nations.

Chernarus, with its rich history and cultural heritage, holds a special place in the hearts of many around the world. From its ancient Slavic roots to its more recent struggles for independence and stability, Chernarus has demonstrated resilience and determination in the face of adversity. As a post-Soviet republic in the Green Sea region, Chernarus occupies a strategic position that bears significance not only for its own people but also for the broader international community.

We recognize the challenges that Chernarus has faced, including the civil strife that erupted in the province of South Zagoria in 2009. We commend the efforts of the Chernarussian people to navigate through these difficult times and to forge a path towards peace, stability, and prosperity for all citizens.

Furthermore, I wish to express our sincere hope for a peaceful resolution to the ongoing tensions with Takistan. It is our firm belief that dialogue, diplomacy, and cooperation are essential in addressing differences and fostering understanding between nations. Spring-Divionia stands ready to support any efforts aimed at promoting dialogue and reconciliation in the region.

In extending this recognition, we reaffirm our commitment to friendship, cooperation, and goodwill between our two nations. May this milestone mark the beginning of a new chapter in the relationship between Spring-Divionia and Chernarus, characterized by mutual respect, trust, and cooperation in pursuit of shared goals and aspirations.

With warmest regards,

Kopf Viscount William Afton  
Monarch of Spring-Divionia
