

DECREE ON THE LEGALITY
OF
“PRANK YOUTUBERS”

SECOND SPRING DIVIONIAN EMPIRE

Official document from the Andrea Capitol
Building & House of Parliament

12 - 02 - 2199 № 2199-947911

Regarding the Outlawing of "Prank Youtubers"

Whereas, it has come to the attention of the Spring-Divionian Monarchy that certain individuals, under the guise of so-called "Prank Youtubers," have engaged in reckless and irresponsible behavior that poses a threat to public safety, property, and the dignity of our nation;

Whereas, the recent incident in February of 2199, wherein a Prank Youtuber caused extensive property damage to the Administrative Governmental Capitol Building in Frediiciania, serves as a stark reminder of the potential dangers associated with this form of entertainment;

Whereas, the actions of these individuals not only endanger the lives and well-being of our citizens but also undermine the authority of our government and the sanctity of public institutions;

Now, therefore, I, Kopf Viscount William Afton, by the authority vested in me as Monarch of Spring-Divionia, do hereby decree as follows:

1. Effective immediately, the practice of creating and disseminating prank videos on online platforms such as Youtube, or any similar platform, is hereby declared illegal and punishable by law within the borders of Spring-Divionia.
2. Any individual found to be engaging in the creation, distribution, or promotion of prank videos shall be subject to prosecution under the full extent of the law, including but not limited to fines, imprisonment, and confiscation of assets.
3. The Spring-Divionian Ministry of Information and Communications shall work in conjunction with law enforcement agencies to monitor online platforms and identify individuals who violate this decree.
4. It is the responsibility of all citizens to report any instances of prank-related activities to the appropriate authorities for prompt action.
5. This decree shall remain in effect until such time as deemed appropriate by the Monarchy to lift the prohibition, based on a thorough review of the potential risks and consequences associated with prank videos.

Let it be known that the safety, security, and well-being of our citizens are of paramount importance, and any actions that threaten these values will not be tolerated.

Given under my hand and seal,

William J. Afton

Kopf Viscount William Afton
Monarch of Spring-Divionia
